You Can Do It!

YCDI! Lessons continued with the key Resilience:
Prep & Year 1 - read “The Hippo who was Happy” and explored ideas on how we can move on from feeling bored to feeling happy; for example, finding something fun to do, doing a special job for mum or dad, or helping a friend.

Year 3 & 4 - took our “emotional temperature” and rated the intensity of our typical emotional reactions experienced in the face of adverse, negative circumstances and people; for example, “You let your classroom borrow your favourite eraser. She scribbles on it with a pen and breaks it in half”

Year 4 & 5 - played “emotional bingo” where in groups, one student was the caller who read scenarios from cards while other students placed markers on their Bingo Card to indicate how they would feel in the scenario; examples were someone called you a mean name, your best friend ignored you, or you have to speak at parade.

Year 6 & 7 - also took our “emotional temperature” and discussed how different intensities of the same feeling can be experienced by young people in the face of adversity.

You Can Do It!
Students of the Week

Athletics Day
A massive thank you to all the students, staff and parents who went out of their way to assist early Wednesday morning, throughout the day and in the pack up later in the afternoon. You all helped to make sure the day ran as smoothly as possible with short notice. We appreciate the support from the community, the hard work of the families in the tuckshop not only on the day but in the days before and the spirit shown by the students for the carnival. Congratulations to all students on your achievements.

Yours in Sport
Kate Van Dorssen & Alannah Aili

A NOTE TO PARENTS
With cold and flu season upon us, if your child need tissues could you please send them with a supply.

INFORMATION

Crocs and Cudas Sports Carnival
This Wednesday was the Annual Crocs vs Cudas Athletics Day. The track was a little wet but that didn’t stop everybody having a great day with plenty of great times and distances recorded. The Cuda’s house reclaimed the overall points trophy again this year by just over 300 points. It was all very close across the day with a good mix of both houses taking out boys and girls age champions, and with the exception of the ball games trophy, Cudas managed a clean sweep of all the major trophies. Student participation and enthusiasm was high from both houses with a special mention needing to go to the students who turned up very early and left late to help with the setup and pack up for the day. All of the parents and students I spoke to agreed that it was a great day and a huge thanks must go to Miss Van Dorssen and Miss Aili for organizing the day. I would also like to thank the many parents and the whole staff for their efforts to make our sports day such a success. A huge thank you also to Melanie Vladich and the many parents who helped make the tuckshop a huge success on the day.

Final Week of Term
Another great term seems to have flown by, with a massive number of students achieving some outstanding results. With many great things left to happen for the remainder of the year, next term is going to be even busier. Next term will see our centenary celebration on Saturday 13th of September. NAIDOC day, many representative sports opportunities, parent teacher interviews, information nights and induction days for next year as well as many other activities. It will be an action packed term for students, staff and parents, I therefore wish everybody a good break, and I hope everyone gets a good chance to spend some time with family and recharge the batteries, ready for all the fun of the second half of the year.

With next Friday being the final day of semester, I ask that we all keep a look out for the school during the holidays. If you see anything suspicious, please do not attempt to intervene. Call the School Watch number – 13 17 88. If you do see something suspicious, please don’t attempt to intervene. Call the School Watch number and let the local police or State Government Protective Security Service deal with the matter.

Until next time,
Yours in schooling

Mr Matt Thompson
Principal
