

Julie HANSEN (nee Hohnke) - 1983

After leaving school in Year 12, I was employed by the Far North Queensland Electricity Board for nearly ten (10) years as an Administration Assistant and Front Office Clerk. I then moved to Brisbane where I was employed by the Queensland Police Service at the Headquarters in administration duties. In 1990, I was transferred to the Far North Queensland Regional Office in Cairns, where I continued until starting my family.

In 2006, I worked for Walters Supa IGA in Gordonvale as the Banking Officer until moving to the Sunshine Coast in 2008. I have worked in the hospitality and barista industry since arriving here. I am now working at the Maroochydore State High School and loving every minute of it.

My children are almost finished their schooling at Kawana Waters State College - Brodie is in Year 12 and hoping to join the Army, and Mikaelah is in Year 11 and planning to become a Primary School Teacher.

I live happily on the Sunshine Coast with my partner, Andrew and my beautiful children.

Julie
