

BSS BULLETIN

ISSUE 4: 3RD SEPTEMBER, 2021

JUNIOR SECONDARY REPORT

Term three is slipping away and we have only two weeks left of term. Last night we held our annual Year 6 into 7 Parent Information Evening. I would like to thank all parents, carers, students, teachers and family members for joining us. Our school community was delighted to be able to have students and families here once again. If you were unable to attend and would like additional information do not hesitate to contact us. Thank you to our rugby league teacher and students who took part in a friendly organised rugby league match for our visitors to watch while mingling and enjoying a sausage sizzle.

Parents can help their child during their transition into high school by:

- *Listen – reassure and encourage.*
- *Communicate – continue to discuss things with your child.*
- *Clear and Consistent – be firm with boundaries and expectations.*
- *Supportive – Be patient and tolerant, spend time with them, keep calm, listen, remind them they are doing well – encouragement!*

Enrolment information update packs have been handed to BSS students, parents please ensure you complete and return to the office at your earliest convenience and we will move forward onto the next stage of our transition to secondary program.
