## ISSUE 9: 9TH DECEMBER, 2021

### EOY SCHOOL REPORT

As we say farewell for another year - thankyou to all of our students, parents and community for a wonderful 2021.

Our school A-E results have continued their improvement in semester 2, proving that when students come to school every day at Babinda State School, they achieve great things.

Report cards are coming home today.

The facilities improvement will continue over the summer holidays to complete the toilets and showers refurbishment and replace leaky rooves in the play areas.

We welcome new teachers and teacher aides in 2022 and I look forward introducing them into our beautiful and high-performing learning community.

I wish all of you a safe and reviving Christmas and New Year with family and friends, before we find ways to get even better in 2022. School resumes Monday 24th January, 2022.

Yours in learning,

Mr Rob O'Brien
