

BSS BULLETIN

ISSUE 6: 15TH OCTOBER, 2021

PRINCIPAL'S REPORT

Welcome to term four everybody!

The hammering and grinding you might hear in the background is from the much overdue refurbishment of our school amenities block. This is a cause of some minor inconvenience in the short term, but will mean our toilets and showers will finally be brought into the 21st century.

Our students have been excellent as always in working around the disruption – I'm especially proud of the way the older students are looking out for the younger ones and making sure they know where they need to go.

Term four means Primary swimming lessons are in full swing, leading up to our swimming carnival on November 26th. It also means our year 12s are finishing off their final assessment tasks and preparing for their external exams, which run from the 22nd of October til the 9th of November.

We then honour academic success at Awards night on the 9th and celebrate the 12s' completion of schooling with the Formal in Babinda on November 12th.

It's a big term for everyone, so we need every student here every day as we Strive to Excel.

Yours in learning,

Mr Rob O'Brien
